

Port Perry United Church is committed to providing an inclusive place of worship that allows all people to participate in congregational activities.

To support this commitment the following are available.

Elevator: An elevator is located through the Simcoe Street doors at the front of the sanctuary.

Guide Dogs stay with the owner and are allowed everywhere but in the kitchen.

Hearing: Hearing jacks are available in the back 2 pews on the east side of the sanctuary (Foodland). They require earbuds or headsets. If you do not have your own set, an usher can provide you with a set of disposable earbuds.

Visual: Large print bulletins, hymnbooks and Bibles are available.

Mobility Aids: There are pews at the front of the church that have more space for wheelchairs and walkers. If these are occupied the ushers would be happy to put your walker in a safe place near you that allows for movement during the service and will return it to you during the last hymn or sooner if you require it.

If you require assistance or have a question please speak to an usher.
